

## Free Seminar: Sports Concussion Education

For parents, coaches and school administrators

Co-hosted by **Vanderbilt Sports Concussion Center**  
and **University of Tennessee at Chattanooga**

Tuesday, August 13

6:30 - 8:00 p.m.

UTC, University Center Auditorium

LIGHT REFRESHMENTS PROVIDED

A concussion is a serious injury to the brain. As a parent, coach or school administrator, this FREE informative seminar will help you identify signs and symptoms of concussion. Experts from Vanderbilt Sports Concussion Center will discuss long-term effects, the importance of baseline testing and more. Please reserve your seat by August 9.

UTC, University Center Auditorium • 615 McCallie Ave • Chattanooga, TN 37403
